Long overdue recognition

For bravery in battle

- while on detail to Agency from USMC
- period 31 January - 7 February 1968
- during Battle of Hue City, Vietnam

Demonstrated

- courage in face of enemy forces, alone
- intelligence in evading them & returning to friendly hands
- great credit to your service

Recognition should not have taken this long, but
does show this kind of courage is not quickly
forgotten

Proud you chose to join CIA in 1970 and that you're
with us today

Responsibilities have never gotten easier

- your performance remains a great credit to the Agency
